RECEIVED  
AUG 26 2015  
CLERK, U.S. DISTRICT COURT  
NORTHERN DISTRICT OF TEXAS

I, Annette Curry, mother of Jerry Curry in the  
Federal Correction Inst, Jail Portion.

49711-177

I have asked for information to no avail.  
We have asked for another lawyer. Still no information.

I have filled out visitation forms but have  
not received anything back so I cannot visit and  
talk to him.

His letter to me;

1. He was Federal prisoner held in Jail in Weatherford, TX
2. Attacked by another inmate, video available
3. They? knowingly released information to the other inmate  
and that he would retaliate and he was not on Jerry's case
4. They? lied and said Jerry was going to testify against,  
so he attacked Jerry.
5. Jerry has blood clot in his leg and now has a scarred  
forehead from the attack.
6. Facial injuries, broken bone in nose, perm. scar.
7. The lawyer laughed and made fun of it
8. The person involved had already attacked another inmate.

I need information, if not possible, let me at least know  
where to go next.
